Dear Ms Hoffman,
I just came across your
note to Mrs. Jane Knapp
about the Desert View Tower
press release.

We are proud that the
"Tower" has become a Nat'l
Monument & Reg. California
Landmark, and my husband
& I, as managers of the
Desert View Tower thank
you for this consideration.
Could you tell me where
to write or to whom for
any information about
becoming a Nat'l Monument.
Is there benefits as to
advertising in magazines
or Nat'l publications
or? Is there a marker
we can obtain or? I

would appreciate any
help you might give me.

Also is there some way
we can join your "Spaces"
or cooperate with you
in your endeavors.

Hoping to hear from
you.

Thank you

Sincerely,

Marie Kramer
